S.M.M.S ADMINISTRATION and OFFICE STAFF

As we near the end of another school year, I would like to thank the faculty and students for working so hard. A great deal of progress has occurred this year. Our school has become a model for other schools to follow. I want you to know how much I have enjoyed working with each of you and how much I appreciate the hard work you have done. I am proud to be the principal of St. Martin Middle School.

DEDICATION

The St. Martin Middle School Yearbook Staff proudly dedicates the 2001-2002 edition to...

RHONDA L. RUSHING

Teaching by example is said to be one of the most effective tools for student learning to occur. Mrs. Rushing certainly lives by this philosophy. She is a perfect choice because of her dedication, professionalism and timeless energy spent to make S.M.M.S. a great place to be. She has been a great asset to the yearbook staff. She never hesitates when asked to edit or proof pages for production.

Mrs. Rushing not only cares for students' academic needs but also their social interests as well. She shows this concern by willingly chaperoning dances, assisting with food drives, sponsoring the yearly Talent Show and heading the Language Arts Club.

Mrs. Rushing has taught for eleven years at St. Martin and has given endless hours to organizations, fund raising projects and school improvement committees. She has taught fifth, sixth and seventh grades. The subjects she has taught include Math, History, Science, Reading, and English. She presently teaches sixth grade English.

Mrs. Rushing and her husband Randall live in Vancleave. They are the proud parents of two children, Raina and Randy.

Thank you for a job appreciated and well done!
